

Important information for our Valued Clients

Goodbye to cheques.....

Please be advised that RBC Royal Bank N.V. will phase out physical cheques for all clients. As a result:

- Effective **November 15, 2021**, RBC will discontinue the issuing of cheque books to all clients.
- As of **February 28, 2022**, the bank will no longer accept or process cheques from all clients.

This decision reflects the growing shift in our Dutch Caribbean communities away from physical cheques towards more innovative digital solutions.

We encourage our clients to make use of **RBC Digital Banking**, which is easy to use, safe, and available anywhere, 24/7 for both local and international transactions. For more information on the digital options available to clients, please view rbccroyalbank.com/caribbean/digital-hub/.
