

Adjustment to Daily ATM Withdrawal Limit

At RBC FINCO, we are continually evolving to ensure your banking experience is not only convenient but also secure. As part of these ongoing efforts, we have decided to adjust our daily ATM withdrawal limits.

Effective Tuesday, April 2, 2024, the new daily withdrawal limit will be set at BSD500. Some exceptions may apply. This adjustment is a proactive step towards enhancing the security measures that safeguard your accounts and personal information.

While we understand this may mean a change to your banking routine, we want to assure you that this decision was made with careful consideration to ensure that your funds remain safe and protected.

If you require a daily withdrawal amount exceeding the BSD500 limit, we encourage you to come in to any of our branches to conduct an over-the-counter withdrawal transaction. Please note that RBC FINCO savings account holders will now enjoy **four (4) free ATM withdrawals per month.**

As part of taking care of your financial well-being, we encourage all clients to actively monitor their accounts for any suspicious activity. Please remember that you should never share your PIN with a third party. RBC FINCO will never reach out to you asking you to provide us with your PIN or password. If you notice any transactions that seem unfamiliar or if you suspect any fraudulent activity, please contact us immediately at 242 356 8500.

If you have any questions or concerns, please do not hesitate to contact your Relationship Manager.

Thank you for being a valued RBC FINCO client.
