

# Important Notice Real Property Tax Payments

The Bahamas Real Property Tax Act requires all property owners to pay Real Property Tax annually. The Department of Inland Revenue has indicated its intent to take action for non-payment of property taxes.

Please be reminded to make immediate arrangements to ensure outstanding tax payments are settled. We also encourage you to keep us informed of your updated property tax position.

Please be aware that failure to meet your property tax responsibilities could impact:

- mortgage payments;
- the total amount owed on your loan;
- ownership of the mortgaged property.

If you have any questions or require additional details, call our Advice Centre at 356-8500, your Relationship Manager or visit a branch.
