

# Important Advisory for RBC VISA Credit Cardholders

By now you should have received your new **Chip & PIN contactless-enabled credit card** in the mail. It's time to start enjoying the benefits of enhanced security and peace of mind!

If you haven't already done so, please activate your new credit card today.

## Important Information

- Your current credit card will continue to work until **January 15, 2021, or its expiry date** (whichever comes first).
- Once activated, make sure you sign the back of the new card and destroy the old card.
- Make sure you update your card information with any automatic payments, subscription services, or online retailers.

## Haven't received your card yet? Have other questions?

Please call our Advice Centre at the number on the back of your Visa credit card or visit your branch.

Thank you for being a valued RBC client.
