Personal and family spend

**More
rewards
faster**

**A business credit card that lets you combine employee,
personal and family points. Only from RBC.**

Just one of the benefits of the RBC Rewards Visa[®] Business Platinum.

You've worked hard to build your business, so reward yourself – by combining points from every RBC Rewards Visa Business Platinum card in your company. And you can combine your company points with your personal and family RBC Rewards Visa Platinum points to travel even sooner!

Plus, you get more great benefits – above and beyond what you get with some business cards.
