\* This list was compiled as of October 2011 and is a sampling of participating merchants operating in Canada who are classified by MasterCard by the Merchant Category Code ("MCC") 5411, based on RBC MasterCard purchase data as of May 2011. This is not an exhaustive list of merchants operating in Canada that are classified with the MCC 5411. In addition, other merchants may acquire the MCC 5411 and/or some may be removed from the MCC 5411 list of merchants from time to time, without notice. Even though some merchants such as department stores, variety stores and convenience stores may also sell groceries, purchases made at these locations may not necessarily qualify as Grocery Store Purchases if the merchant is not classified by MCC 5411. Also, merchants that are not classified by MCC 5411 may be located on the premises of merchants that are classified by MCC 5411, in which case purchases made at these locations would not classify as Grocery Store Purchases. Royal Bank of Canada ("Royal Bank") cannot guarantee that any merchant, operating in whole or in part as a grocery store, is classified with the MCC 5411 and in no event will Royal Bank be liable or responsible for any claims with respect to a Grocery Store Purchase made at a merchant that is not classified by MCC 5411. Royal Bank does not endorse any of the merchants listed or their products/services and the merchants listed do not endorse Royal Bank or its products/services.

† Up to a maximum of \$6000 in Grocery Store Purchases per Annual Period. For all Grocery Store Purchases in excess of \$6000 during an Annual Period, you will earn 1% in cash back credits, unlimited.
