What happens if a CDIC member fails?

Your money belongs in your hands. CDIC works hard to protect your savings and your access to financial services.

If your institution closes, we will reimburse your insured funds (including interest) within days.

It's automatic – we will contact you.

What you can do

- Keep your contact information at your financial institution up-to-date so CDIC can send payment if necessary.
- Know what is covered and what is not.
