Use of any automated system where the entrant does not manually complete the online registration is prohibited and will automatically result in disqualification of the entrant from the Competition.

4.1.2 Prizes and Selection of Competition Semi-Finalists

Eighteen (18) random draws will take place at random times during the Online Pre-Qualifying Entry Period from among all eligible online entries at the time of each draw. The odds of winning depend on the number of eligible entrants in each random draw. There will be one (1) prize awarded at each random draw. 4.2.2 How to Play

Entrants will take part in a putting challenge of a pre-determined length (as determined by the Competition judges in their sole discretion) on an artificial putting green approximately 1,750 square feet in size.

Entrants participating in the Media Venue A Pre-Qualifying Round will participate in order of registration during the time shown above. Entrants may register more than once, but must re-register and re-queue after completing the putting challenge.

Entrants participating in the Open Public Venue A Pre-Qualifying Rounds will participate in order of registration, during the times shown above. Entrants may register more than once, but must re-register and re-queue after completing the putting challenge.

At the end of the Media Venue A Pre-Qualifying Period, the four (4) entrants with the lowest score will be selected to advance to the Competition Venue A Pre-Qualifying Regional Final stage (also called the “**Venue A Regional Finals**”). If there are more than four (4) entrants who are tied for the lowest score, then Competition judges will conduct a random draw from among those tied entrants to determine which four (4) will advance to the Venue A Regional Finals. If there are four (4) or fewer entrants who are tied for the lowest score, then there will not be a random draw and all of those four (4) or fewer entrants will advance to the Venue A Regional Finals. Once the lowest score position or positions have been filled, any remaining positions in the final four (4) qualifying positions for the Venue A Regional Finals will be filled in the same manner as above. That is, if there is sufficient space for two (2) or three (3) entrants tied for the second lowest score, then all such tied entrants will fill the remaining spaces in the final four (4). If there is not enough remaining space in the final four (4) for all such tied entrants, then Competition judges will conduct a random draw from among such tied entrants to determine which entrants will fill the remaining available spaces and advance to the Venue A Regional Finals. If there is sufficient space in the final four (4) for entrants with the third and fourth lowest score, then those entrants shall fill the remaining available spaces and advance to the Venue A Regional Finals.

Before being declared a winner of any random draw, selected entrants will be required to correctly answer a time limited mathematical skill testing question.

At the end of each of the ten (10) days during the Open Public Venue A Pre-Qualifying Period, the two (2) entrants with the lowest scores from that day will be selected to advance to the Venue A Regional Finals. If there are more than two (2) entrants who are tied for the lowest score at the end of any given day during the Open Public Venue A Pre-Qualifying Period, then Competition judges will conduct a random draw from among those tied entrants to determine which two (2) entrants will advance to the Venue A Regional Finals. If there are only two (2) entrants who are tied for the lowest score, then there will not be a random draw and both of those two (2) entrants will advance to the Venue A Regional Finals. If there is only one (1) entrant with the lowest score, then that entrant will advance to the Venue A Regional Finals and the entrant with the second lowest score will be selected as the second and final entrant advancing to the Venue A Regional Finals for that day. If there are two (2) or more entrants who are tied for the second lowest score at the end of any given day, then Competition judges will conduct a random draw from among those entrants who are tied for the second lowest score to determine which one (1) entrant will fill the remaining available space and advance to the Venue A Regional Finals.

Before being declared a winner of any random draw, selected entrants will be required to correctly answer a time limited mathematical skill testing question.

An entrant may only qualify once for the Venue A Regional Finals. Once an entrant has qualified for the Venue A Regional Finals, no further lowest scores will be submitted for or in respect of that entrant for the Venue A Regional Finals, but the entrant may continue to participate in the Competition Venue A Pre-Qualifying putting challenge.

The odds of winning one (1) of the four (4) Media positions in the Venue A Regional Finals depends on the number and skill of eligible entrants participating in the Media Pre-Qualifying Round. The odds of winning one (1) of the twenty (20) Open Public positions in the Venue A Regional Finals depends on the number and skill of eligible entrants participating in each Open Public Pre-Qualifying Round.

4.2.3 Prizes for Venue A Regional Finalists

Each of the twenty-four (24) eligible entrants declared as Venue A Regional Finalists will be eligible to each receive a prize with an approximate retail value of one hundred dollars (\$100.00) and a chance to participate in the Venue A Regional Finals.

Prizes must be accepted as awarded and are not transferable or convertible to cash. Regional Finalists must attend the Regional Finals in order to receive any part of the prize. All prizes must be accepted during the Competition Period. There are no substitutions except at the option of the Sponsor. The Sponsor reserves the right to substitute the prize or a component thereof with one of equal or greater value, including without limitation, but at Sponsor's sole discretion, a cash award. Prizes will only be awarded to the twenty-four (24) eligible entrants whose names and email addresses appear on each respective registration form.

Before being declared a winner, each selected entrant will be required to sign and **return immediately**, and in any event prior to the start of the Regional Finals, the Sponsor's declaration and release form confirming compliance with these Rules, acceptance of the prize as awarded and releasing the Competition parties and each of their respective officers, directors, agents, representatives, successors and assigns from any liability in connection with this Competition, the selected entrant's participation therein and/or the awarding and use/misuse of the prize or any portion thereof. If the selected entrant fails to return the competition documents within the specified time, then he/she will forfeit the prize and the next eligible entrant (based on putting challenge score) will be eligible to win the prize (subject to compliance with these Rules).

4.2.4 Venue A Regional Finals

The twenty-four (24) Venue A Regional Finalists from the Open Public Venue A Pre-Qualifying Rounds and the Media Venue A Pre-Qualifying Round will advance to the putting challenge at the Venue A Regional Final stage, which will take place at Competition Venue A at 2:00 p.m. ET on Friday July 23rd, 2010. Each entrant in the Venue A Regional Finals will be entitled to participate in the putting challenge under stroke play rules for 12 holes. Entrants will shoot in the Venue A Regional Finals in the same order in which they qualified in the Competition Venue A Pre-Qualifying stage. In the event of tie among two (2) entrants for the lowest score for the Competition Semi-Final position during the Venue A Regional Final stage, then those two (2) tied entrants will fill the two (2) available spaces for Venue A qualifiers and advance to the Competition Semi-Finals.

In the event of a tie among more than two (2) entrants for the lowest score, then a sudden death playoff will take place, using one hole at a time, until two (2) entrants have qualified to advance to the Competition Semi-Finals, using lowest score from among such tied entrants. In the event that there is one (1) entrant with the lowest score, but there is a tie among two (2) or more entrants for the second lowest score, then the one (1) entrant with the lowest score will advance to the Competition Semi-Finals and a sudden death playoff will take place, using one hole at a time, until one (1) of such entrants tied for the second lowest score has qualified to advance to the Competition Semi-Finals, using lowest score from among such tied entrants. The odds of advancing depend on the skill of eligible entrants.

4.2.5 Prizes for Competition Semi-Finalists

Entrants who fail for any reason whatsoever to be present at the designated tee area at the Competition Semi-Finals in time for the start of the Competition Semi-Finals will automatically be disqualified and no substitute entrant will be chosen. There are no substitutions except at the option of the Sponsor. The Sponsor reserves the right to substitute the prize or a component thereof with one of equal or greater value, including without limitation, but at Sponsor's sole discretion, a cash award. Prizes will only be awarded to the two (2) eligible entrants whose names and email addresses appear on each respective registration form.

Before being declared a winner, each selected entrant will be required to sign and **return immediately**, and in any event prior to the start of the Competition Semi-Finals, the Sponsor's declaration and release form confirming compliance with these Rules, acceptance of the prize as awarded and releasing the Competition parties and each of their respective officers, directors, agents, representatives, successors

and assigns from any liability in connection with this Competition, the selected entrant's participation therein and/or the awarding and use/misuse of the prize or any portion thereof. Entrants will participate in order of registration during the times shown above. Entrants may register more than once, but must re-register and re-queue after completing the putting challenge.

At the end of each of the five (5) days during the Venue C Pre-Qualifying Period, the two (2) entrants with the lowest scores from that day will be selected to advance to the Venue C Regional Finals. If there are more than two (2) entrants who are tied for the lowest score at the end of any given day during the Venue C Pre-Qualifying Period, then Competition judges will conduct a random draw from among those tied entrants to determine which two (2) entrants will advance to the Venue C Regional Finals. If there is only one (1) entrant with the lowest score, then that entrant will advance to the Venue C Regional Finals and the entrant with the second lowest score will be selected as the second and final entrant advancing to the Venue C Regional Finals for that day. Before being declared a winner of any random draw, selected entrants will be required to correctly answer a time limited mathematical skill testing question.

An entrant may only qualify once for the Venue C Regional Finals. The odds of winning a position in the Venue C Regional Finals depends on the number and skill of eligible entrants participating in each Pre-Qualifying Round.
