IT'S YOUR CHOICE

You are **never required** to purchase insurance:

- that is offered by your distributor;
- from a person who is assigned to you; or
- to obtain a better interest rate or any other benefit.

Even if you are required to be insured, **you do not have to** purchase the insurance that is being offered. **You can choose** your insurance product and your insurer.

HOW TO CHOOSE

To choose the insurance product that's right for you, we recommend that you read the summary that describes the insurance product and that must be provided to you.

DISTRIBUTOR REMUNERATION

A portion of the amount you pay for the insurance will be paid to the distributor as remuneration. The distributor **must** tell you when the remuneration exceeds 30% of that amount.

RIGHT TO CANCEL

The Act allows you to rescind an insurance contract, **at no cost**, within 10 days after the purchase of your insurance. However, the insurer may grant you a longer period of time. After that time, fees may apply if you cancel the insurance. **Ask** your distributor about the period of time granted to cancel it **at no cost**.

If the cost of the insurance is added to the financing amount and you cancel the insurance, your monthly financing payments might not change. Instead, the refund could be used **to shorten the financing period**. **Ask your distributor for details**.
