How to Become Insured, Extend or Modify Your Insurance

How do you become insured?

You become insured and this insurance document becomes an insurance contract when:

- **Your** name is on the **insurance application/confirmation of coverage**. **You** have completed the **medical questionnaire** if required.
- The required premium has been paid on or before **your effective date**.

When does your coverage automatically extend?

- 1 If **you** cannot complete **your trip** by **your return date** because of the delay of a common carrier in which **you** are scheduled to travel, **your** coverage will automatically extend for the delay period to a maximum of 72 hours.
- 2 If **you** or **your travelling companion** are hospitalized on **your return date** or **expiry date**, **your** coverage will automatically extend for the period of hospitalization and up to an additional 5 days after discharge.
- 3 If **you** or **your travelling companion** are delayed beyond **your return date** because of a **medical condition** and are medically unable to travel, but are not hospitalized, **your** coverage will automatically extend for the delay period to a maximum of 5 days after **your return date**.
- 4 Regardless of the automatic extensions above, coverage will not continue beyond 365 days from **your** latest date of departure from **your departure point**.

What if you decide to extend your trip?

If **you** decide to extend **your trip**, any extension of **your** coverage is subject to the following conditions:

- 1 a If **you** have not had a **medical condition** under **your** existing coverage under any of **our** insurances, **you** must request the extension by contacting **us** before **your return date**.

- b If **you** have had a **medical condition** under **your** existing coverage under any of **our** insurances, **you** must request the extension by contacting **us** before **your return date**, and the extension is subject to **our** approval.
- 2 **You** must pay the required additional premium before **your** original **return date**.
- 3 If the insurance for which **you** require the extension is not available for the duration that includes the total number of days of **your trip** and any optional extension(s), **your** coverage cannot be extended. Instead, **you** may be able to purchase a new certificate of insurance under the coverage:
 - a for which **you** are eligible; and
 - b that is available for the duration that includes the period beginning with **your effective date** and ending at **your** new **return date**.
- 4 Any extension of **your** coverage is subject to **our** approval and **we** reserve the right to decline the request.

The terms, conditions and exclusions of the certificate extension apply to **you** during the extension period.

Topping Up another travel insurance coverage

If **you** are covered under another travel insurance coverage, **you** may purchase **top-up** coverage from **us** only before **your** date of departure from **your departure point**, and:

- a **You** must pay the required **top-up** premium before **your** date of departure from **your departure point**.
- b The terms, conditions and exclusions of **our** certificate of insurance issued as **top-up** apply to **you**.
- c **You** cannot purchase an annual coverage to **top-up** a single **trip** (if **you** have travel insurance included with **your** credit card coverage, **you** can purchase an annual coverage as **top-up**).
- d Any **top-up** coverage is subject to **our** approval and **we** reserve the right to decline the request.
