The CEBA Program is instituted and administered at the request of the federal government, Her Majesty in Right of Canada and its agencies, including the Export Development Corporation of Canada (collectively, the "Government of Canada").

Your application is subject to review and approval by HSBC and to the continuing availability of the CEBA Program; your application may also be subject to review and approval by the Government of Canada.

1.0 Principal Amount of Loan

\$40,000 (CAD), available in a single advance.

2.0 Deposit of Loan Proceeds

If fully approved, your loan will be deposited in full to the account indicated on your application or as otherwise approved by HSBC. HSBC is not able to advance your loan until all requirements of the CEBA Program and any approval required by the Government of Canada have been met.

3.0 Interest and Repayment

3.1 The loan is interest-free (0% per annum) until and including **December 31, 2022**.

3.2 Repayment Incentive: If you repay 75% of the outstanding principal (e.g., \$30,000) by December 31, 2022, then 25% of the principal (e.g., the remaining \$10,000) will be forgiven. (No further advances will be permitted, and the loan will be irrevocably cancelled once repayment is made.)

3.3 If the loan has not been fully re-paid by its maturity date, December 31, 2022, the outstanding amount of your loan will be automatically extended (unless you advise us otherwise) starting on January 1, 2023 for an additional 3-year term maturing on **December 31, 2025**.

3.4 Commencing **January 1, 2023**, interest on the outstanding amount of the loan will be payable at the rate of 5% per annum, payable monthly or as otherwise advised by HSBC.

3.5 You may repay the principal starting on **January 1, 2021 and up until December 31, 2025** without penalty.

3.6 **The full amount of your loan (including principal and interest) is due and payable on December 31, 2025.** Prior to that date, there is no requirement to repay principal amounts as long as no default has occurred; interest will however be payable as described above until payment in full.

3.7 **Any repayments that you make cannot be re-borrowed. This includes repayments made at any time, including repayments made prior to December 31, 2022.**

No other fees are payable to HSBC in connection with the loan.¹
