

RBC Bill Payment Collections Services

Improve your collections process and your customer satisfaction

Enable your customers to submit bill or other payments electronically with RBC Bill Payment Collections Services.

People don't like paying bills and making payments, but it is a necessary part of our lives. Today's customers want to multi-task and integrate paying bills with other routine transactions. Customers want to manage their bills and payments their way- anytime and anywhere.

RBC's Biller Service is a key collections tool within our suite of Business Cash Management Services. Our Biller Services can provide your business with an easy, secure and convenient way to allow your customers to make payments to your company by using RBC's electronic channels.

Features and Benefits of Biller Service:

- **Gain faster access to your money and improve your cash flow** – automatic, same day credit of funds directly to your company's RBC account.
- **Improve business processes with an accurate view of payment information.**
- **Save time and money** – lower operating costs from servicing fewer clients wishing to pay bills in your offices, so that you may concentrate on your sales and other service efforts. Spend less time opening mail, sorting payments with cheques, making deposits at the bank etc.
- **Eliminate handling of NSF (insufficient funds) cheques and associated costs;** electronic bill payments are rejected at the source if a customer's account does not have the necessary funds.
- **Enhances the satisfaction of your clients with RBC accounts by offering them a convenient, secure way to pay their bills 24/7.**
- **Improve the efficiency of your collections management systems.**
- **Increase your payment channels to your clients through RBC.**
