

Terms and Conditions

Auto Rental Insurance

If you pay a Rental Car with a valid Visa card, you will have coverage for covered damages to the Rental Car for periods up to 31 days. For the coverage to be applicable, the Cardholder must decline the Collision Damage Waiver (CDW) or similar coverage offered by the auto rental company.

NOTE: Please be advised that Visa will discontinue the Auto Rental Insurance benefit for eligible Consumer Gold and Platinum cards. For all eligible Platinum consumer cards issued in Puerto Rico and the US Virgin Islands, this benefit is applicable.

Auto rentals starting on or after the effective cancellation date will not be covered (see Annex), however eligible auto rentals that start on or before the effective cancellation date will be covered according to these terms and conditions.

In order to confirm this effective date for your card and issuing bank's country please refer to the Annex page of these terms and conditions.

Who is covered?

The Cardholder and any additional authorized drivers designated in the Rental Car Agreement.

Coverage

The coverage is provided for covered loss to a Rental Car caused by the Rental Car's collision with another object or its overturn, and for physical damage as a result of hail, lightning, flood or other weather-related causes. Coverage is provided for the lower of:

1. the contractual liability assumed by the Visa Cardholder with the owner of the Rental Car;
2. the Actual Cash Value, subject to any maximum amount, as may be shown in the Benefit amount table;
3. the Reasonable and Customary charges of repair or replacement.

Covered vehicles are land motor vehicles with four wheels which the Visa Cardholder has rented for a period of time shown on the Rental Car Agreement. Coverage is provided for vans only if they are standard vans with standard equipment and are designed to carry a maximum of 8 people. Coverage is also provided for equipment or accessories installed in the van for the purpose of assisting a handicapped driver.

This coverage is "primary". If the Cardholder is unable to decline the auto rental company coverage, the Visa coverage will be "secondary" to the auto rental company coverage and will be responsible for any gap between the auto rental company coverage and the damages for which the Cardholder is responsible.

Visa Rewards Program is covered as long as a valid and verifiable Rental Car Agreement has been issued to the Visa Cardholder, and the entire transaction is charged to an Eligible Card.

The following specific costs are covered:

- Damage due to collision.
- Theft of vehicle and related charges.
- Malicious vandalism charges.
- Loss due to accidental fire as long as the liability rests with the Cardholder.
- Loss due to physical damage as a result of hail, lightning, flood or other weather-related causes.
- Towing charges as long as such charges result directly from a covered loss.
- Loss of use.
- Administrative fee charged by the rental company.
