Royal Bank

Experience the ease of the RBC Royal Bank Visa Debit card

Your new RBC Royal Bank™ Visa‡ Debit card simply makes life easier, helping you take care of all your everyday transactions, big and small. Whether you're at home or away, you can make secure transactions anywhere in the world where Visa is accepted.

Your RBC Royal Bank Visa Debit card comes with no annual cost and no charges for local purchases.*

The security of chip and PIN technology

Combined with your PIN, the encrypted microchip on your card provides significant protection against counterfeiting and fraud. Already in wide use around the world, it has technology designed to make an already safe payment system even more secure.

The convenience of contactless payments

The new contactless feature of your RBC Royal Bank Visa Debit card is at no additional cost. It lets you pay for small purchases quickly and securely at locations that accept contactless transactions.

All you have to do:

Step 1 – Look for this symbol  at checkout counters.

Step 2 – Wave, tap or hold your card over the secure terminal.

Step 3 – Wait for approval and you're ready to go.

In some instances, a signature or PIN may still be required.

The convenience of virtual purchasing power

Your new Visa Debit card is accepted internationally online, by telephone or by mail order by merchants around the world.*

Simply provide your Visa Debit card:

- Number
- Expiration date and
- 3-digit security code (on the back of your card)

NOTE: You should not be asked to enter or provide your Personal Identification Number (PIN) as it is strictly confidential and should not be shared with anyone.

The convenience of cashless purchases

Using your card at a store is as easy as 1, 2, 3.

Step 1 – Instead of waving or tapping, simply insert your card in the terminal and leave it there for the entire transaction.

Step 2 – Follow the prompts and validate your transaction by entering your PIN.

Step 3 – When your transaction is complete, remove your card and wait for your receipt.

Frequently asked questions

How will I know if I should wave, tap or insert my card?

Generally waving or tapping is reserved for low value transactions. However the merchant can guide you. Once you've waved, tapped or inserted your card, just follow the prompts on the terminal. Some terminals may not be chip ready, so you may have to perform your transaction in a different manner; the merchant can guide you in these instances.

For more information on contactless transaction limits, please contact us.

Are contactless transactions secure?

Your RBC Royal Bank Visa Debit card with contactless capability features multiple layers of protection, including chip technology. You are always in control because the card does not leave your hand when you wave/tap and pay.

Where can I use the contactless feature?

Contactless transactions are accepted throughout the world at participating merchants where you see the contactless symbol, including grocery stores, fast food restaurants, convenience stores, coffee shops and vending machines.

What if I forget my PIN?

Simply reset your PIN by visiting a branch or using RBC® Digital Banking, where applicable and available.
