RBC Announces Updates to Branch Operating Hours

NASSAU, January 31, 2025 — RBC Royal Bank (Bahamas) Limited ('RBC') announced today adjustments to its branch hours of operation. This change aligns with client and consumer changing needs and preferences, ensuring a consistent client experience while enhancing the workplace for its employees.

Effective Monday, March 3, 2025, the new hours of operation for all RBC branches in The Bahamas will be adjusted to the following:

Days of Business	Hours of Business
Monday – Friday	9:00 a.m. – 3:00 p.m.

More and more, clients and consumers prefer the convenience of self-serve options for their everyday financial transactions and are turning to digital banking and ATM services, while leveraging personalized, in-branch support for more complex financial advice, like buying a home or car, investing for retirement, or saving for their children's education.

RBC continues to focus on enhancing its channels, technology and talent. The bank has made significant investments in its self-serve channels and has made progress in the digital environment, making branch visits for clients quicker, easier, and more efficient, enhancing the client experience. RBC's multiple distribution channels ensure clients can meet with the bank anytime, anywhere and at their own convenience, supporting their needs and financial goals, based on their choice and flexibility.

RBC also expects these changes will improve the work environment for its employees, allowing them to serve clients with dedicated and focused attention, contributing to employee engagement and providing the best client experience.
