Investor Profile, Risk Details and Tax Information

Investor Profile

All types of employers are eligible to invest in this Plan for their employees over eighteen (18) years of age. The Fund provides investors with income distributions and a low level of volatility. The Plan is therefore most suitable for investors with a medium to long-term investment horizon and those with a low to medium tolerance for volatility.

Risk Disclosure

Investment securities markets fluctuate constantly in reaction to interest rates, economic news, company specific news, geopolitical events and a wide range of other factors. The value of the investment securities in the fund may change from day to day, reflecting changes in interest rates, economic conditions, as well as market and company news. Unlike bank accounts, Collective Investment Schemes are not covered by the Deposit Insurance Corporation.

Risk Rating

Due to the volatility inherent in investing in fixed income securities, the overall risk rating on this fund is low to medium.

Guarantee

The Fund provides no guarantee as to the investment returns.

Tax Consequences

The tax benefits associated with investing in this deferred annuity are as follows:

Tax Benefit on Contributions: All contributions are fully tax-deductible to the employer subject to statutory limits.
