IMPORTANT INFORMATION ON USING YOUR CARD

Read this section carefully as it contains important information about using your Card and is part of your Agreement with us.

What fees and charges are applicable to my Card?

Agent Assisted Call Fee	A \$2 fee is charged when you call us and you are assisted by a live agent. This fee will be waived if you are calling to report a disputed transaction, a lost or stolen Card or unauthorized use of your Card or Card number. There is also no fee to check your balance online or through our automated phone system.
Replacement Card Fee	A \$15 fee is charged to replace a Card for any reason, including if the Card is about to expire or has expired. You must register your Card in order for us to replace it.
Inactivity Fee	A \$2.50 monthly inactivity fee is charged after 12 months of consecutive inactivity. Your Card will be considered inactive in any month where there are no debit or credit transactions (excluding the inactivity fee) on your Card.
Foreign Currency Conversion	Transactions in a foreign currency will be converted into Canadian dollars no later than the date we post the transaction to the Card at an exchange rate that is 2.5% over a benchmark rate Royal Bank of Canada pays the payment card company on the date of the conversion.

Why should I register my Card?

It is important to register your Card at www.myrbcprepaid.com. **You must register your Card in order for us to replace it should your Card be lost or stolen.** This will better protect your security by preventing someone else from registering your Card and reducing the possibility that someone else may access your balance and transaction information. In addition, some retailers will only allow you to make online purchases if you have registered your Card.

How and why should I check my Card balance?

The initial Card balance will be shown on the Card or the original Card packaging that came with your Card. You can check the Card balance at any time online at www.myrbcprepaid.com or by contacting us at 1-855-228-8885. It is important to know your Card balance because merchants are unable to check it for you. Each time you use the Card, the total purchase amount is deducted from the Card balance. The Card balance also is reduced when any of the fees are charged.

Your Card can only be used if the balance on your Card is sufficient to cover your transaction. Otherwise, the transaction will be declined. However, if due to a systems malfunction or for any other reason a transaction occurs despite there being an insufficient balance on your Card, you will owe us the amount above the Card balance. You agree to reimburse us, upon request, for the amount by which the transaction exceeded your available balance.

How and why should I check my transaction history?

You can check your transaction history at any time online at www.myrbcprepaid.com or by contacting us at 1-855-228-8885. It's up to you to review your transaction history and to check all transactions. If you think there is an error in your transaction history, you must contact us. If you do not contact us within 30 days of the transaction date, the transaction history and our records will be considered correct and you may not later make a claim against us in respect of any charges on the Card.

What happens if my Card is about to expire or has expired?

While the funds on your Card will not expire, your Card has an expiry date because merchants need that information to process your transactions. Your Card expires at the end of the month shown on the Card. You must not use your Card or your Card number if your Card has expired. You may request a replacement Card at any time with a new expiry date by contacting us as long as you still have funds on your Card. A \$15 fee will apply. The remaining balance on your original Card will be placed on your new Card.

What happens if my Card gets lost, stolen or misused?

You must register your Card in order for us to replace it should your Card be lost, stolen or misused. You must also contact us immediately:

- if your Card is lost, stolen or misused;
- if you suspect that someone else is using your Card or your Card number; or
- if you suspect that your Card is missing.

Once you have told us that your Card has been lost, stolen or misused, we will be able to prevent use of the Card and the Card number. We can also block use of your Card and prevent use of your Card number without telling you if we suspect unauthorized or fraudulent use of the Card or the Card number.

Can I travel with my Card? How do foreign currency transactions work?

The balance on this Card is in Canadian dollars and we will bill you in Canadian currency. Your Card can be used while travelling outside Canada. However, because some merchants may not be familiar with this type of card, we recommend that you have another form of payment (credit card, debit card, cash or traveller's cheques) when making purchases. We will show the exchange rate for each transaction on your transaction history.

Can I use my Card for services such as hotel reservations, car rentals, restaurants or fuel purchases?

Yes. However, some merchants require that a temporary hold be placed on funds. This is normal practice for merchants accepting credit or prepaid cards to ensure that you have sufficient funds to pay for the final anticipated amount of the purchase. Some merchants, such as hotels, car rental agencies or cruise lines, will hold your funds until the end of your trip. We recommend that you do not use your Card for reservations to ensure that your Card balance is not affected by the hold, which may be weeks or months in the future. Other merchants, such as restaurants or others that require a tip or extra charge, will hold up to 20% in addition to the price of the goods or services you are purchasing. These types of holds can take several days to clear. For these merchants, it is important to know your Card balance so that you know whether your Card has sufficient funds to cover both the transaction and the hold, or whether you will need to make a split payment. Your Card cannot be used to pay for fuel at "pay at the pump" kiosks, but can be used to pay for fuel in-store.

Can I make a "split payment" on my Card?

Most merchants are able to handle multiple forms of payment for the same purchase. To purchase merchandise that costs more than the balance on your Card, let the merchant know in advance that you will be splitting the payment; i.e. part of your transaction will be paid with the Card and the remainder with another form of payment (such as credit card, debit card or cash). It is important for you to know the available balance on your Card because merchants are unable to check the balance for you and you will need to tell the merchant the amount that you would like to have paid by your Card. You can check your balance online at www.myrbcprepaid.com or by contacting us at 1-855-228-8885. Some merchants will not let you make a split payment, or make a split payment with two prepaid cards.

What happens if I am issued a refund?

If a merchant issues a refund to you, we will increase the balance available on your Card by the amount of the refund. If you use your Card or your Card number for a transaction in a foreign currency and the merchant gives you a refund, the charge and the credit will not balance exactly because of exchange rate and currency fluctuations. For merchandise returns, deal directly with merchants. In all cases, be sure to keep your Card and purchase receipts (even after the balance is depleted) as you may be asked to present them in order to process the refund or return.

Can I reload my Card?

The Card cannot be reloaded.

Can I make recurring payments with my Card?

Because this Card is non-reloadable, you cannot make recurring payments with your Card. These payments will not be authorized by the merchant.

How do I contact you?

If you need help or have questions about your Card, please call us toll-free at 1-855-228-8885 within Canada or the United States.
