This coverage does not cover third party liability coverage. Check with your personal automobile insurer and the rental agency to ensure that you and all other drivers have adequate third party liability, personal injury and damage to property coverage.

The length of time you rent the same vehicle must not exceed forty-eight (48) consecutive days, which shall follow one immediately after the other. In order to break the consecutive-day cycle, a full calendar date must exist between rental periods. Coverage may not be extended for more than forty-eight (48) consecutive-days by renewing or taking out a new rental agreement with the same or another rental agency for the same vehicle or another vehicle.

#### Who can be insured?

Coverage is available for the following covered persons who are permanent residents of Canada and are either:

- the applicant or additional cardholder who presents in person at the rental agency, signs the rental contract and takes possession of the rental vehicle; or
- you and all drivers who are permitted by you to operate the rental vehicle must qualify under and follow the terms of the rental agreement and must be legally licensed and permitted to operate the rental vehicle by themselves under the laws of the jurisdiction in which the rental vehicle shall be used.

### **When does the insurance coverage begin and end?**

Upon taking possession of the rental vehicle, coverage begins when:

- you present in person at the rental agency, initiate the rental transaction with your RBC Rewards Visa Preferred card by booking or reserving the rental vehicle with that card, and provide your RBC Rewards Visa Preferred card for authorization before you take possession of the rental vehicle, indicating the entire cost of the rental, including all applicable taxes and fees, from the rental agency is to be charged to your RBC Rewards Visa Preferred card. You may use your Avion points to pay for the entire cost of the rental, including all applicable taxes and fees, from a rental agency. If only a partial payment is made using Avion points, the remaining balance of that rental, including applicable taxes and fees, must be paid using your RBC Rewards Visa Preferred card in order to be covered;
- you use your RBC Rewards Visa Preferred card to fully pay for a car sharing rental vehicle;
- you decline the rental agency's CDW option or similar coverage offered by the rental agency on the rental agreement. If there is no space on the vehicle rental agreement for you to indicate that you have declined the coverage, then indicate in writing on the contract "I decline CDW provided by this merchant." Note: if there is no option available to decline this coverage, this Certificate of Insurance will only cover up to the deductible as stipulated in the rental agency's CDW or similar provision.

Examples of when coverage ends individually for each covered person:

On the earliest of the following:

- The date and time the rental agency reassumes control of the rental vehicle
- The date upon which your rental vehicle is not within the coverage period
- The date you or the Royal Bank cancels your RBC Rewards Visa Preferred account

For additional details on when coverage begins and ends, please refer to the [Certificate of Insurance](#).

### **Can I cancel my insurance?**

As this insurance coverage is not purchased separately and is included with the RBC Rewards Visa Preferred card, this is not a coverage that can be cancelled and/or refunded. If you choose to cancel your credit card, the coverage will terminate at the same time.
