Annual Interest	Purchases: 19.99% Cash advances: 22.99%
Rate	These interest rates are in effect on the date your credit card account is opened (whether or not your card is activated).
	Rates will increase to 24.99% on purchases and 27.99% on cash advances for at least 6 months if your minimum payment is not made by the payment due date and it is not paid by the date we prepare your next statement 2 or more times in any 12 month period. This will take effect in the third statement period following the missed payment that caused the rates to increase.
Interest- Free Grace Period	You will benefit from an interest-free period of at least 21 days for (i) <u>new purchases (except purchases converted to installment plans) and fees</u> if you pay your New Balance (which is the sum of all amounts due, including all installment plan principal payments + interest or monthly fees due that statement period, minus credits and payments) in full by the payment due date shown on your statement; and (ii) <u>new purchases converted to installment plans</u> if you pay your Total Account Balance (New Balance + installment plan payments not yet due) in full by the payment due date shown on your statement. There is no interest-free period for cash advances (cash withdrawals, balance transfers, certain bill payments and cash-like transactions).
Minimum Payment	 \$10 plus interest and fees (excluding any installment plan interest or monthly fees), plus Total Monthly Plan Payments (which are made up of all installment plan principal payments + interest or monthly fees due that statement period). Effective August 1, 2019, if you reside in Quebec and your credit card account was opened: Before August 1, 2019, the greater of (i) Total Monthly Plan Payments, plus 2.5% of your New Balance (excluding Total Monthly Plan Payments); or (ii) \$10. On or after August 1, 2019, the greater of (i) Total Monthly Plan Payments, plus 5% of your New Balance (excluding Total Monthly Plan Payments); or (ii) \$10. In all cases, any previously unpaid minimum payments are included in your minimum payment. Your minimum payment is your New Balance if your New Balance (i) consists only of Total Monthly Plan Payments; or (ii) is less than \$10.
Foreign Currency Conversion	Transactions in a foreign currency are converted to Canadian dollars no later than the date we post the transaction to your credit card account at an exchange rate that is 2.5% over a benchmark rate Royal Bank of Canada pays on the date of conversion.
Annual Fee	No annual fee.
Other Fees	Cash Advance Fee: \$3.50 for cash withdrawals or cash-like transactions in Canada (\$5 outside Canada). \$3.50 for bill payments or balance transfers made at an introductory interest rate offered at account opening or at your standard interest rate. Balance Transfer Promotional Rate Fee: Up to 3% of the transaction amount when you take advantage of a promotional interest rate offered to you after account opening by making a balance transfer during the promotional period. Exact fee will be disclosed at the time of the offer. Cash Advance and Balance Transfer Promotional Rate fees are charged within 3 business days of the transaction being posted to your account. Overlimit: \$29 if your balance exceeds your credit limit at any time during your monthly statement period. Charged once per statement period if your balance first exceeds your credit limit, and on the first day of each subsequent statement period if your balance remains overlimit. Effective August 1, 2019, if you reside in Quebec, this fee does not apply. Additional Copies: \$5 for each monthly statement, \$1.50 for each statement update at an ATM or branch, \$2 for each transaction receipt that does not relate to the current statement.
