¹ You will earn 1 Moi point for every \$1 spent on all purchases you make, including pre-authorized bill payment transactions, when you use your moi RBC Visa credit card to pay. Moi points are earned on net purchases only; they are not earned on cash advances (balance transfers, cash-like transactions and bill payments that are not pre-authorized charges that you set up with a merchant), interest charges or fees, and credits for returns and adjustments will reduce or cancel the points earned by the amounts originally charged.

You will earn 1 additional Moi point for every \$1 spent on qualifying purchases you make, before taxes, and any promotions in effect, in-store or online, at participating Metro, Première Moisson and Brunet stores in Quebec, and at participating Jean Coutu stores in Quebec, New Brunswick and Ontario ("Participating Locations") when you swipe your Moi card and pay with your moi RBC Visa credit card. You will not earn 1 additional Moi point for every \$1 spent when you shop at Super C; you will however be eligible for bonus Moi points offers and other benefits, as available from time to time. Also, you will not earn 1 additional Moi point for every \$1 spent when you purchase any of the following products or services at Participating Locations: tobacco products, lottery tickets, public transportation tickets and passes, gift cards and other prepaid cards, stamps, postal services, dry cleaning, film and video game rentals, any deposit fees and eco-contributions, SAQ products, alcoholic beverages outside of the province of Quebec, order preparation and delivery charges, donations, utensils for ready to eat products, certain products offered on participating partner platforms, products offered through food waste reduction platforms, fragrance discovery gift sets, items linked to a fundraising campaign, prescription drugs, other medication and other pharmacy or healthcare-related products and services according to laws in place in each province, taxes, ecofees and any items excluded by Metro in the future or forbidden by law. Excluded products may vary by province and Metro reserves the right at all times to add or exclude, at its sole discretion, eligible items for Moi points. Metro also reserves the right to deduct the 1 additional Moi point/\$1 earned on returns and adjustments, whether the purchase was made in-store or online. Other terms and conditions apply. For complete terms and conditions that apply to the Moi program, please visit moiprogram.ca.

² To be able to redeem your moi points, you must have at least 500 moi points in your Moi account. If you do, you will be able to redeem a minimum of 500 moi points to get \$4 off your in-store or online transaction, before taxes, at participating Metro, Super C, Première Moisson and Brunet stores in Quebec, and at participating Jean Coutu stores in Quebec, New Brunswick and Ontario, provided the pre-tax value of the transaction is equal to or greater than that of the points being redeemed. If you wish to redeem more than 500 moi points in one transaction, you may only do so in increments of 125 points thereafter. 125 Moi points = \$1 or as otherwise determined by Metro. Other conditions and restrictions apply. For complete terms and conditions that apply to the Moi program, please visit moiprogram.ca.

³ You will earn 2 Moi points for every \$1 spent on Dining Purchases and Gas and Electric Vehicle Charging Purchases you make, after taxes, when you pay with your moi RBC Visa credit card at merchants that are classified by the following "Merchant Category Codes" ("MCCs") by Visa:

- (i) "Eating Places and Restaurants" (MCC 5812), "Drinking Places (Alcoholic Beverages)" (MCC 5813) and "Fast Food Restaurants" (MCC 5814) are "Dining Purchases";
- (ii) "Service Stations (With or without Ancillary Services)" (MCC 5541), "Automated Fuel Dispensers" (MCC 5542), "Electric Vehicle Charging" (MCC 5552) are "Gas and Electric Vehicle Charging Purchases".

Each of these MCCs is an "Eligible MCC".

Even though some merchants may sell meals, gas or allow you to charge your electric vehicle, purchases made at these merchants may not necessarily allow you to earn 2 Moi points for every \$1 spent if the merchant is not classified by an Eligible MCC by Visa. Also, a merchant that is not classified by an Eligible MCC may be located on the premises of a merchant that is classified by an Eligible MCC, in which case a purchase made at this merchant would not qualify as a Dining Purchase or as a Gas and Electric Vehicle Charging Purchase. Royal Bank of Canada ("RBC") cannot guarantee that any merchant who sells meals, gas or allows you to charge your electric vehicle is classified by an Eligible MCC, and in no event will RBC be liable or responsible for any claims with respect to a purchase made at a merchant that is not classified by an Eligible MCC.

⁴ To participate in this offer, you must have an RBC debit or credit card issued by Royal Bank of Canada (excluding RBC commercial credit cards) (“**RBC Card**”). You must be enrolled in RBC Online Banking or the RBC Mobile app in order to link your RBC Card to your Petro-Points card. Card linking may take up to two (2) business days to process before savings and bonus points can be applied to purchases. Once linked, your RBC Card (“**Linked RBC Card**”) acts as your Petro-Points card. You will automatically earn Petro-Points when you pay for qualifying purchases with your Linked RBC Card at Petro-Canada locations, and you do not need to swipe your Petro-Points card before you pay. You can redeem your Petro-Points at Petro-Canada using your Linked RBC Card.

Each time you use your Linked RBC Card to purchase any grade of gasoline, or diesel, at a Petro-Canada location, you will save three cents (\$0.03) per litre at the time of the transaction.

Each time you use your Linked RBC Card to pay for qualifying purchases at a Petro-Canada location, you will earn a bonus of twenty percent (20%) more Petro-Points than you would normally earn, in accordance with the Petro-Points terms and conditions available at petro-canada.ca/en/personal/terms-and-conditions#petropoints.

Petro-Points are not awarded on tobacco products, vaping products, gift cards, transit tickets and taxes on non-petroleum purchases.
